Please provide any positive aspects of using the application.

Earning points is always fun. Nice consistent interface (toolbar on top that almost never changes) Simple homescreen (4 buttons) Duidelijke interface, icoontjes + labels spreken vaak voor zich over het algemeen vrij duidelijk om te gebruiken Serves the general good Niet erg moeilijk om te begrijpen wat je moet doen. Interactief aspect maakt het leuk. ik denk dat het een goed idee is om een geluidskaart te hebben van een bepaalde stad hier zie ik het nut van in. goed dat het op een ludieke manier kan gebeuren Some things that reminded me of foursquare, made it feel familiar. There aren't too much ...

Please provide any negative aspects of using the application.

Red record button would be nice. Ok button with stats Square slider in stats from Me -> Friends Maybe a little helpscreen on first use of sound battle Record button on top of your own location on map. This was the only "confusing" button in the app, record buttons are usually red een beetje inconsistentie bij het weergeven van de locatie knop om het starten met opnemen onduidelijk, vervangen door een micro leaderboard niet gevonden ik zou de applicatie niet veel gebruiken omdat ik weinig met facebook enzo bezig ben, niet omdat ik de applicatie niet goed vond :) Possible spamming of facebook wi ...
