**What did you like about using the application?**

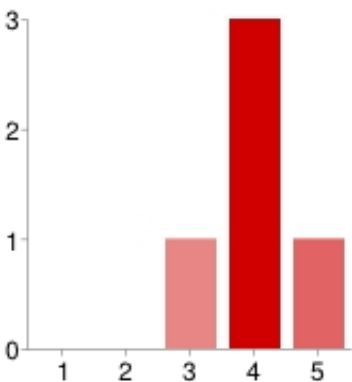

The badges and the points. Moving around an area is part of the game. het was plezant, niet altijd even makkelijk om de plaats terug te vinden, dat maakt het wel uitdagend Momenteel is het zoeken naar de plaatsen via de GPS-functie voor mij het interessantste. Ik hoop hierbij in de toekomst om het geluid op meerdere plaatsen te kunnen vergelijken. Being outdoors, possibility to challenge friends, clean interface...

**What did you not like about using the application?**

/ Ik zou graag nog meer mogelijkheden hebben, maar daar wordt aan gewerkt. niets It was not very exciting. Gps accuracy is sometimes not so good.
